- ✓ dimensions H × L × D (mm): 151 × 49 × 15
- ✓ battery type: 2 × AAA

MonoCom Slide is a comfortable to use, well-fitting two-way remote control for operating blinds, roller shutters and related elements. The set also includes a kit for mounting the remote control on the wall.

The MonoCom Slide remote control uses two-way radio communication, thanks to which the device receives feedback about the position of the blinds.
